

Common Grant Application & Common Report Form

Version 3.1 (January 2010)

These forms were developed by Philanthropy Network Greater Philadelphia (formerly Delaware Valley Grantmakers) with foundation and nonprofit professionals to streamline the grantwriting process. Please note that Philanthropy Network **DOES NOT MAKE GRANTS**; applications must be submitted directly to the individual grantmakers from whom you are seeking funding.

Philanthropy Network’s Common Grant Application is designed to be used in one of two ways; applicants may choose to fill in the form exactly as presented or may opt to use it as a basic template to organize thoughts and consider strategies. Included is a list of those grantmakers who accept this form as a complete application.

Before completing the common grant application, be sure to:

- Read all instructions thoroughly before beginning.
- Research and communicate with funders – obtain a copy of funding guidelines, deadlines and/or annual report. Be aware of each funder’s preferred method of initial contact, and additional information required.
- Be strategic – make sure your goals, objectives and amount requested match the criteria of the funder you are approaching. Tailor your application to meet each funder’s specifications.

Tips, Resources and Grantwriting Glossary of Terms

Use these tips...

Communicate with funders. Contact *each funder* to obtain a copy of funding guidelines and deadlines. Be aware of individual funder's preferred method of initial contact (*some prefer a letter of inquiry (LOI) prior to receiving a full application*), as well as the number of copies of the application you should submit.

Be strategic. Make sure that your goals, objectives and amount requested match the criteria of the funder.

Follow the directions. Write clearly and follow the format of the application closely.

Be thorough. Do not skip questions unless they in no way apply to your request. Avoid repetition of ideas.

Be concise, yet informative in your proposal. Many funders have a scoring system that weighs heavily on the proposal. Writing a clean, understandable narrative is key.

Cover letter. It is customary to provide a cover letter on your organization's letterhead, signed by the Executive Director or Chair of the Board.
