

## COVID-19 Prevention & Response Fund

Thank you for taking the time to apply for the third round of the [COVID-19 Prevention & Response Fund](#)!

The goal of the fund is to increase the number of vaccinations in the Greater Philadelphia area through:

- Fact based education on COVID-19 and vaccines to reduce fears, uncertainties, vaccine apathy and opposition as well as any and all barriers to getting the vaccine such as technology, lack of information, finances, transportation, languages/ literacy, disability, etc.
- Assisting those hurting from the pandemic with greater access to essential needs such as food, diapers, masks, etc. and mental health support while making sure those seeking services also receive COVID-19 prevention information and help getting the vaccine.

We need to act fast and take steps to help our communities stay healthy and strong. We are excited to work with you to make this happen!

---

Before you begin the application, we strongly recommend you create an account so you can save your application and return later.

**Step 1:** Click on the "Log In" button on the bottom left and a screen will pop up (see picture below).

The image shows a registration form titled "New User" in a blue header. Below the header are four input fields: "Username:", "Password:", "Confirm password:", and "Email address:". At the bottom of the form is a blue "Submit" button.

**Step 2:** Please enter a new username and password and your email address and hit "submit". You will receive a pop up notification at the top of the screen similar to the image below.

New account created for test123

Please continue and fill out the form. Answers will be saved in your account.

**Step 3:** Once you receive the notification, please hit the "submit" button below to begin the application process.

**NOTE:** If you don't want to set up an account now, you can click "continue" and it will take you to the application as well, but please be aware that your application will not be saved until you set up your account.
