

THE END OF ROE:

How Should Funders Respond?

Signe Espinoza, Planned Parenthood PA Advocates

Elicia Gonzales, Abortion Liberation Fund of PA

Farrah Parkes, Gender Justice Fund

Carol Tracy, Women's Law Project

AGENDA

- Welcome & Housekeeping
- Introductions
- What We Know About the Impact of Abortion Restrictions
- Pennsylvania Context
- What Funders Can Do
- Discussion/ Questions

IMPACT OF ABORTION RESTRICTIONS

- They will impact those already most marginalized
 - Deliberate and part of historical context
- They create ripple effects:
 - Poverty
 - Domestic Violence
 - Adverse Child Outcomes
 - Health

IMPACT OF ABORTION RESTRICTIONS

- Findings from the Turnaway Study
 - **Poverty**
 - 4-year increase in poverty; Lower credit scores; Increased debt, bankruptcy, and evictions
 - **Domestic Violence**
 - Increased likelihood of remaining in contact with a violent partner
 - **Adverse Child Outcomes**
 - Childhood poverty; Poor maternal bonding and child development
 - **Health**
 - Higher incidence of pregnancy-related complications - eclampsia, postpartum hemorrhage, and gestational hypertension

PENNSYLVANIA CONTEXT

- Maternal Mortality
- Crisis Pregnancy Centers
- Judicial
- Legislative
- Access to Services

WHAT FUNDERS CAN DO

- Funding
 - Short Term:
 - Abortion Providers
 - Abortion Funds
 - Long Term:
 - Advocacy Efforts
 - Destigmatization/Storytelling
- Follow the lead of organizations that have been doing this work for a long time.
- Look for intersections with your work
 - Ask grantees how it might impact them
 - Provide resources/information/education
